

CONTRACTOR GRADE MADE WITH BEDDAR WOOD

12" CONTRACTOR BUNDLE OF SHIMS

Meet the newest innovation in shims. Beddar wood is uniquely processed to provide a shim that snaps, nails and performs better than pine or cedar.

WHY IT'S BEDDAR

- Excellent snap
- Easy to cut
- Rot resistant
- Will not shrink
- Split resistant to nails and screws
- Clean and consistent quality
- Feathered tips
- No moldy shims
- No rotten, punky or wet wood
- 100% usable bundle of shims
