working projects  
save a little of the original  
stain in the  
**Perfect Match Stain Marker**  
and store for later...

Use your own stain to achieve a "Perfect Match". Just add your own water, oil, or lacquer based stain.

Perfect for your Customers to touch up scratches, nicks, nail holes and small imperfections. Can also be used for highlighting and straight line glazing. Perfect for your installation crew to do minor touch up work on the job site.

#### **DIRECTIONS FOR USE**

- REMOVE cap and felt tip
- PLACE end of marker in stain, pull handle which syphons the stain until fully extended.
- UNSCREW handle in a counter-clockwise motion, discard handle, insert felt tip into opposite end.
- SHAKE marker to agitate stain before every use.
- WHEN READY TO USE depress tip gently on to a scrap of wood or paper until stain begins to flow, wipe excess with clean cloth.
